Property Description

Casa Bamboo is a tropical modern, luxury vacation rental home nestled in the palm trees of Nosara, Costa Rica and steps from the beautiful Playa Guiones beach. The home's four en-suite bedrooms comfortably sleep ten people, and its many indoor and outdoor spaces create multiple places to relax alone or socialize with family and friends. A mixture of native teak and black bamboo provides warmth and tranquility to the modern design and furnishings, and large, old-growth palm trees ring the property and can be seen from every room. Artisanal, handmade elements, custom furniture, and high-end furnishings complete the sense of serenity, comfort, and inspiration. Around every corner in the home is a feeling of discovery, surprise, and wonder. BEHIND THE BLUE DOOR The blue front door sets the tone for the relaxed, tropical experience to come. The deck and outdoor dining areas blend seamlessly into the open living, dining, and kitchen areas.
