Property Description

Huge 872 acre cattle farm situated in the hills of Palmar Norte with large ocean views of Cano Island and the OSA Peninsula. A small farm house and working corral and storage shed come with the property. The terrain with large amounts of usable land several miles of internal roads allows for a large development with multiple home sites with views of the ocean, mountains, and access to waterfalls. The property includes cleared land area, pastures, streams, springs and primary old growth forest. Access is gravel from a public road. Services include water from a private source and electricity. Strategically located within minutes of the existing Palmar Sur Airport, and the future International airport, and just south of the Costa Ballena and just north of the OSA peninsula, which are Costa Rica's most precious destinations for the eco-minded tourist. Excellent value in super location, do not miss out on this opportunity!
