Property Description

Tucked away in the lush, tropical beauty of Costa Rica’s pristine southern zone, Designer Villas in Uvita present a rare opportunity to experience world-class design in perfect harmony with nature. This exclusive gated estate is the result of a visionary collaboration between internationally renowned celebrity photographer Mark Liddell and his acclaimed team at Mark Liddell Design, alongside celebrated architect Martin Wells. Together, they have crafted a luxurious sanctuary that redefines modern tropical living. Set on 9,501 square meters (2.35 acres) of verdant landscape, the estate features two architecturally striking residences, each meticulously curated with bespoke finishes, globally sourced furnishings, and innovative design elements that elevate every aspect of the living experience. Every detail, from the lighting to the materials, has been thoughtfully chosen to create a seamless blend of comfort, style, and sophistication.
