Property Description

Villa Arena Blanca is a rare find—an oceanfront home sitting right on an ocean front bluff at Playa Roble in Carrillo. You'll wake up to the sound of waves, with wide-open views of the Pacific from your porch, your pool, and even your living room. The main home features three spacious bedrooms and three and a half bathrooms, with an open layout that flows easily out to the large covered patio and infinity pool. A separate guest studio with its own bathroom offers flexibility for visitors or rental income. The property is part of a small beachfront community where peace and quiet come first—no commercial businesses allowed and best of all there is no HOA. You'll have all the modern comforts: fiber optic internet, electricity, and legal water service. Playa Roble is a concession beach, home to just a handful of high-end homes, offering a unique blend of privacy, security, and direct access to nature.
