Property Description

This beautiful property features an electric gate at its main entrance, which runs approximately 250 meters surrounded by nature and beautiful trees. The entrance to the house is paved with cobblestones and has the following layout: An open-plan kitchen that connects the living room, dining room, and terrace into a single space, with views and access to the pool. Folding doors separate the terrace and pool at night. The kitchen is eight linear meters long, with beautiful and fine ash wood cabinets, a porcelain back and countertop, a commercial stove, a hood with hot air vent, a dishwasher, and its main feature: the beautiful dining table for ten or twelve people. It also has a pantry with a freezer and plenty of storage space. The living room features two sofas, a piece of beautiful wood furniture, two fans, and air conditioning. A beautiful pivot door separates this space from the private area where the bedrooms are located.
