Property Description

Welcome to Casa SolAngelo, the most iconic residence within the prestigious gated enclave of Tulemar — Costa Rica's premier destination for luxury living in the heart of Manuel Antonio. Designed by award-winning Costa Rican architect Andres Brenes, this architectural masterpiece is a one-of-a-kind estate that seamlessly blends cutting-edge design with the natural beauty of the jungle and coastline. Perched high above the rainforest canopy, this four-story residence features a dramatic triple-edge infinity pool suspended 50 feet above the jungle, offering panoramic views of the Pacific Ocean. At the heart of the home, a three-story limestone wall carving rises alongside a living Frangipani tree, creating a striking interior focal point. Unparalleled Indoor-Outdoor Living The uppermost level is designed in a penthouse style, with soaring vaulted ceilings and sweeping 240-degree ocean views.
