Property Description

Strategic Land in Greece: Prime Location and Surrounded by Opportunities Imagine living in a strategic area, just minutes from the new Free Trade Zone in Greece, near the largest private hospital project in the West and surrounded by shops, services, and growth opportunities. Now you can enjoy all this without sacrificing tranquility, in a natural setting that combines comfort and quality of life. Land Features: Total Area: 1,333 m² Use: Residential, ideal for a single-family home. Design: Completely flat land, so you won't need to invest in earthworks. Setting: Quiet area with great development potential. Development Opportunities in the Area: Growing educational projects, first-class private medical facilities, a new shopping center in the planning stages, new free trade zones, and one of the fastest-growing areas in the country. Invest in your future today! Don't miss this unique opportunity to build in one of the fastest-growing and most value-added areas.
