Property Description

The Dominical Collection is a once-in-a-generation development opportunity in Dominical, Costa Rica, offering three strategically positioned parcels—each fully entitled, infrastructure-ready, and uniquely suited for high-value hospitality, residential, and mixed-use projects. Available individually or as a bundled investment, these properties combine beachfront concession land, titled ocean-view acreage, and a prime town-center parcel into one master-planned vision along Costa Rica's most dynamic coastal corridor. Las Olas – Beachfront Concession (3.75 Acres) Located directly on the sands of Playa Dominical, Las Olas is a rare beachfront concession property with entitlements for a 120-key luxury hotel, branded residences, and commercial amenities. With flat topography, direct highway and beach access, and approvals in place, this parcel is ideal for a flagship resort, wellness retreat, or exclusive residential enclave.
