Property Description

Lot 4 is the smallest lot but boasts the largest buildable area. It is perfect if your dream home is a villa with plenty of room or the luxury of pools and outdoor entertaining areas. You can have it all in this Coronado mountain hideaway. Wake up to the sounds of the jungle coming alive around you and take in the view of the clouds draped over the surrounding mountains. We are pleased to offer the opportunity to purchase a beautiful front ridge lot that is ready for development. Lot 4 has shared access on an existing road, is connected to city water, and boasts fantastic views. It is located just outside of the local town of Coronado in Costa Rica's popular South Pacific Coast. While tourists flock to Uvita and Dominical, Coronado has retained its laidback local feel. Best of all, it is just a short drive from some of the area's most beautiful beaches, and you could drop in at surfing hotspot Uvita for lunch and some whale watching.
