Property Description

Hacienda Cocobolo is an estate that captures the romance and grandeur of southern Spain's architecture, re-imagined on Costa Rica's most idyllic stretch of Pacific coastline. Nestled close to both a white-sand beach with spectacular snorkeling waters, and a cove-like, undiscovered spot named Playa Callejones, this magnificent luxury home is also close to Guanacaste's best surf breaks and a short drive from an international airport. A Rare Estate Setting Spread across 15,029 m² (3.7 acres) of manicured gardens and lawns, this estate property invites its future owners to imagine a lifestyle defined by privacy and possibility. The land has been carefully designed with lush driveways open green expanses that could easily welcome equestrian stables or expanded gardens. Every detail of the setting underscores refinement: clipped lawns, elegant flowers and breezeways for enjoying fresh air all day.
