Property Description

Discover this exceptional lot for sale in Playa Chiquita, one of the most exclusive and serene communities in Costa Rica's South Caribbean. With 1,436m² of land, this property offers the perfect balance between tropical privacy and modern luxury potential. It's ample enough to design and build a high-end jungle retreat or boutique villa surrounded by nature's lush greenery. Only a 10-minute walk to the pristine Playa Chiquita beach, the community offers a private entrance for easy access—simply cross the street and find yourself on soft Caribbean sands. The property is nestled among mature trees, providing natural shade and tranquility, yet offers plenty of open space for construction. Whether you envision a private luxury home, a vacation rental investment, or an eco-friendly development, this lot delivers exceptional value in a sought-after location. Playa Chiquita is known for its relaxed elegance, exclusive atmosphere, and proximity to popular destinations like Puerto Viejo and Punta Uva.
