Property Description

Tami Lodge Immerse yourself in nature at Tami Lodge, where tranquility meets adventure in the heart of Costa Rica's cloud forest. Nestled between Los Quetzales National Park and the Los Santos Forest Reserve, our spacious tented bungalows offer the perfect balance of outdoor living and hotel-style comfort. Each bungalow features private bathrooms with hot-water showers, open views of the lush forest below, and thoughtful amenities such as towels, extra blankets, pillows, shampoo, and soap. It's the best of both worlds—immersed in nature, yet surrounded by comfort. To preserve the serenity of the environment, Tami Lodge operates without electricity in the rooms. At night, solar lighting guides you to your tent, with motion-sensor lights in each bathroom and a 6-hour portable lamp adding a touch of adventure to your stay. Surrounded by forest, wildlife, and coffee plantations, Tami Lodge sits at the source of the great Savegre River.
