Property Description

This gated, Ocean View Villa is a inviting, family-friendly retreat perched roughly 200 meters above Costa Rica's Pacific coast, contributing to cooler breezes & expansive views. Priced to sell, this single-level, 3-bedroom villa, delivers exceptional value for the footprint and future-growth potential. The home is 2,152.78 sq. ft or 200m², spacious with big bedrooms and a nice laundry room, & cozy living area. A large adjacent lot of 2,924 m² (0.724 acre) combined with the home lot, you have an exceptional 1.3 acres total. Not only does the lot protect your ocean view, but envision a casita for guests, a putting green, or a pickleball court—while enjoying a secure, welcoming community with expansive Ocean views. The property is framed by lush fruit trees (limes, mango, avocados, bananas, and more) well manicured lawn, & tropical plants surround the property. Ocean-view entertaining: expansive views to the Pacific from main living areas and primary suite; outdoor covered patio, BBQ area, outdoor shower, outdoor lighting, and fans designed for effortless gatherings.
