Property Description

Situated in the Vista Tres Bahias Community of Los Sueños Resort & Marina, Casa Pacifica is a 6,500 sq. ft. private executive retreat that offers a unique and unforgettable experience. It is one of the communities in the resort where you are surrounded by tropical forest, squirrel monkeys, white face monkeys, macaws, pizotes, and a variety of toucans, creating a wild zoo-like atmosphere where animals roam free. Recently renovated to modern standards, this house is a gem, perfectly suited for large groups of family, friends, corporate retreats, and more. The views are exceptional as the home sits atop one of the highest elevations in the resort with panoramic jungle views. Vaulted bamboo ceilings and floor-to-ceiling windows lend a light and airy feeling to a luxurious, yet unpretentious home, and every attention to detail has been given to accommodate even the most discerning traveler. Entertainment is the primary goal with Casa Pacifica's second-story game room, which features a great bar, ice machine, wine bottle cooler, plasma TV, and a custom billiards table.
