Property Description

This fully renovated home is located in a prime area of Santa Teresa, offering an excellent combination of location, functionality, and turnkey condition. The property sits on a 346 m² lot and features 120 m² of construction plus a mezzanine, designed to maximize natural light and indoor-outdoor flow. The home is sold fully furnished and turnkey, allowing immediate use as a private residence or short-term rental investment. Renovated between January and December 2024, the property is technically as new, with all major systems recently installed or upgraded. Infrastructure improvements include a brand-new sewage system, new electrical system, a swimming pool with a dedicated technical room, a backup water tank ensuring uninterrupted water supply, and a dedicated laundry and housekeeping technical area. There is no deferred maintenance. The design emphasizes a seamless indoor-outdoor living concept, with large openings that allow the interior spaces to open fully to the exterior while maintaining the option to close the home completely when desired.
