Property Description

Tucked into a quiet residential pocket of Esperanza, Riverstone Condominium is an intimate collection of just four residences spread across two levels. Designed for ease and simplicity, the property offers on-site parking and a shared laundry area, all within a calm setting that feels residential rather than touristic. From here, Guiones Beach, with its surf, cafés, shops, and everyday services, is only a quick drive away, making this a convenient and budget-conscious option close to Nosara's most active area. Riverstone #1, the ground-level residence, is being offered fully furnished and ready for immediate occupancy. The home features two bedrooms and two bathrooms, with air conditioning in both bedrooms to ensure year-round comfort. The interior spaces flow naturally between the kitchen and living areas, creating a functional layout that works equally well for full-time living or hosting visitors.
