Property Description

Lúmina Villas is a boutique collection of six private residences in the heart of Playa Pelada, one of Nosara's most sought-after beachside neighborhoods. Thoughtfully designed with a warm, tropical aesthetic, each home blends modern comfort with seamless indoor-outdoor living. Floor-to-ceiling glass opens to private pool terraces, outdoor dining areas, and lush garden surroundings, creating a natural flow from kitchen to jungle. Set in a quiet, walkable location just steps from the beach, Lúmina offers both privacy and convenience, with Pelada's restaurants and shops just minutes away. It's a lifestyle where mornings begin with ocean swims and evenings end with sunsets by the beach. The project includes a range of 3 to 4-bedroom villas, with both two-level and single-level layouts. All homes feature private pools, generous terraces, dedicated parking, and high-quality finishes using locally sourced materials and natural tones that reflect Nosara's relaxed sophistication.
