Property Description

Discover an exceptional 1.69-acre jungle property offering a rare blend of total privacy, natural beauty, and convenient access to modern amenities. Nestled in the sought-after Cinco Ventanas neighborhood of Ojochal, this property is bordered by a pristine mountain river and surrounded by lush tropical rainforest, creating an immersive and tranquil setting. Cinco Ventanas is uniquely positioned between two worlds—peaceful, secluded living under a dense jungle canopy, while remaining just minutes from the vibrant town of Ojochal and the Costanera Highway. The area is rich in biodiversity, with frequent sightings of howler and capuchin monkeys, scarlet macaws, toucans, and other native wildlife, offering a true Costa Rican nature experience. The property is easily accessible via a well-maintained road that begins near Plaza Ventanas off the Costanera Highway (Ruta Nacional 34). The drive to the property is approximately 1 kilometer and does not require a 4x4 vehicle—an uncommon advantage in this region.
