Property Description

Set within a private hillside enclave of just a few residential lots, this property offers a rare blend of privacy, nature, and proximity to one of Costa Rica's most vibrant beach towns. Located in Los Jobos—part of greater Tamarindo—it is only a 4-minute drive to the area's beaches, restaurants, shops, and services, yet remains private and secluded. Positioned along a quiet public road in a residential setting, just 800 meters from the paved back road to Tamarindo, the project was thoughtfully designed for long-term livability, prioritizing space, airflow, greenery, and view corridors over density. Lot 5, the largest homesite in El Sueño, spans 3,009.49 m² (0.74 acres) and occupies the highest point of the community. This elevated position offers unobstructed ocean and mountain views, abundant natural light, and excellent airflow. A generous flat building area provides an ideal foundation for a custom residence with expansive indoor-outdoor living.
