Property Description

Golfo Dulce View Home + Land for Expansion Wake up to sweeping views of the shimmering Golfo Dulce waters from this beautifully designed 2-bedroom, 2-bathroom home, built in 2024 and crafted for both comfort and connection with the surrounding nature of Costa Rica's Osa Peninsula. Just 20 minutes away lies Playa Juanito Mora, one of the finest access points to the Golfo Dulce, a designated Humpback Whale heritage site renowned for its exceptionally safe and calm waters. This stunning gulf is a world-class destination for open water swimming, free diving, whale and dolphin observation tours, bioluminescence tours, kayaking, and fishing, making it a rare opportunity to own a home where nature's most extraordinary experiences are practically at your doorstep. Set on a generous 71,493 m² (17.67 acres) property across two plots in the up-and-coming community of San Miguel de Cañaza, this fully off-grid retreat sits just 25 minutes from Puerto Jiménez and only 2 miles from Route 245, offering easy access without sacrificing the tranquility you came here for.
