Property Description

This is more than just a property — this is the opportunity to own an entire mountain in one of Costa Rica's most desirable and fast-growing lifestyle destinations. Located in the vibrant mountain community of Platanillo, this expansive 60+ hectare property (approximately 148+ acres) offers an extraordinary combination of privacy, scale, natural beauty, and development potential. Ideally positioned just 6.5 km from Highway 243, the property sits perfectly between San Isidro and Dominical, providing easy access to beaches, restaurants, shopping, healthcare, and all the best attractions of Costa Rica's Southern Zone. With multiple prepared building sites already in place, the property showcases breathtaking mountain, valley, river, jungle, and even ocean views from various points throughout the land. Existing internal roads with proper drainage systems and cunetas have already been completed, significantly reducing future infrastructure costs and making the property easily accessible year-round.
