Property Description

Arenal Hills Villa Collection Imagine waking each morning to breathtaking views of the majestic Arenal Volcano, where the rainforest comes alive with the songs of tropical birds and the gentle sounds of nature. At Arenal Hills Villa Collection every day begins with a sense of peace, beauty, and connection to one of the most extraordinary landscapes in Costa Rica. The villas at Arenal Hills were inspired by the luxury, elegance, and seamless connection with nature that have made The Springs Resort & Spa at Arenal and Nayara Springs among the Arenal region's most admired luxury destinations. Thoughtfully designed to embrace indoor-outdoor living, each villa features contemporary architecture, expansive glass walls, open living spaces, spacious terraces, private pools, and lush tropical landscaping, creating an atmosphere of comfort, sophistication, and tranquility. Surrounded by vibrant rainforest, rivers, and spectacular volcano views, residents experience the magic of nature every day.
