Property Description

Escape to a world of natural beauty and serenity with this spectacular 238 acres ocean and mountain view farm located in the Portalon area of the Costa Rica Pacific Coastal Zone. Situated in a rapidly developing area, this property offers easy access to a national airport and hospital in the city of Quepos, and is conveniently located near the popular Manuel Antonio national park and the gorgeous sandy beaches of Matapalo and Playa Linda. As you arrive at this amazing property, you'll be captivated by the stunning ocean views and majestic virgin forest views that surround you. With large naturally rolling buildable areas and an abundance of usable land, the possibilities for development are endless. The farm also features a large waterfall and swimming hole area, several natural cascades, and a natural water spring source born on the farm at the top of the property. Additionally, the property borders a strong flowing year-round stream the size of a river, providing a soothing and calming sound throughout the day.
