Property Description

Casa Santosha offers one of the best locations in Sámara—tucked just behind the Intercultura Language School and only a short walk to the beach. This is a prime opportunity to own a nearly beachfront property right in the heart of town. The property includes three individual rental units, each with a loft bedroom, ensuite bathroom, kitchenette, and private balcony—perfect for hosting language students, digital nomads, or vacationers. With a bit of remodeling, Casa Santosha could be transformed into a standout income-producing gem. Set on a $\frac{1}{4}$ acre lot, there's room to expand—add a main residence or build additional units to maximize returns. Important: The property sits within the maritime zone and is under a concession title, which is currently expired. That said, once renewed, the value of this property is expected to increase significantly. It's a rare chance to invest in one of the most central, nearly beachfront parcels in Sámara with huge upside.
