Property Description

Ojochal, an international village and one of the most popular destinations in the South Pacific, is desperate for capable business-minded individuals to make a grand entrance and expand its accommodation, catering, recreation, tourist and business facilities. So much opportunity is created by the rapidly growing popularity of this area as tourists, expats, investors, business professionals and retirees are increasingly flocking here as the development activities move away from Dominical and Uvita and towards the red-hot southern areas of the Ballena Coast. Thanks to its location, Ojochal's Perezoso Road is one of the most attractive places for starting a rental business. And this property is the most attractive offers on Perezoso Road. The lot is over an acre in area, only 200m from the Ojochal's main road and just over 500m from the coastal highway, the only property on the market to offer such an opportunity for realizing your dream.
