Property Description

If tranquility is the setting you seek, this is the place! This property located in a gated development called “The Sanctuary”, a perfectly befitting name for this community of 10 estate properties. Lot #7 is more than 5.5 acres of gentle rolling hills, with at least 2 natural constructions sites and entrances, making it a great option for a spacious home, with plenty of room for a guest house with a separate entrance if desired. Wide views overlooking the valley, Terraba river and Osa Peninsula, looking out to the Pacific ocean, and an expansive backdrop of the year-round lush green mountain range. The splendor of the views is all encompassing. Located just 10 minutes from the Cortes Hospital and 20 minutes to restaurants and shopping in either Ojochal or Palmar, and 30 minutes to a regional airport with flights to San Jose. This property proves it is possible to have a tranquil location with stunning views yet close access to beaches and amenities.
