Property Description

Gracia is a newly built, beautiful 3-bedroom, 3.5-bathroom, designer home nestled in one of the most alluring neighborhoods in Nosara. This tranquil property is perched on an elevated ridge, surrounded by mature trees, nature trails, and jungle greenery. The beach is a 5-minute walk away and the sound of waves can be heard from the yard. This special property is a bird-watcher's paradise and a main thoroughfare for Howler monkeys who make their way across the canopy above. Designed by award-winning architect, Lucca Spendingwimmer, the home is a tropical mid-century modern beauty, with hints of calming Asian influences. Casa Gracia was designed to be warm and inviting, yet also sophisticated and modern with aesthetics that complement the jungle environment.

SPACES Main Living Area: -The large great room flows directly out to the pool and BBQ entertaining area through a series of 10' high glass sliders providing seamless indoor-outdoor living.
