Property Description

Diamante del Sol is an exceptional beachfront community nestled in the heart of Jaco Beach, Costa Rica. Comprising two towers, each rising up to 10 stories, this complex offers breathtaking ocean vistas and lush green surroundings. You'll find 2 and 3-bedroom condo suites, along with luxurious 4-bedroom penthouses, all designed for comfort and opulence. Diamante del Sol modern condominiums boast spacious layouts, gourmet kitchens, lavish bathrooms, and generous living areas with expansive windows and multiple balconies. From here, you can relish captivating views of the beach, Pacific Ocean, and mountains. The units are tastefully furnished and equipped with air conditioning for your convenience. The community boasts a large infinity pool overlooking the ocean, complete with cascading waterfalls and comfortable lounge chairs. Direct beach access from the pool area ensures you're never far from the surf and sand.
