Property Description

Hermosa Palms: It's an exclusive beachfront community in Hermosa Beach, Costa Rica. It's family-friendly and only 2 km from Hermosa town. You'll find single-family homes and available lots inside. The houses come in different styles and sizes. Some are right on the beach, others have ocean views, but all have easy beach access. There's a community pool, 24/7 security, and a surf-friendly vibe. Surfing is a breeze – just grab your board and hit the waves. People live here full-time, and some homes are vacation rentals. It's the perfect spot to relax. Playa Hermosa is a vast, unspoiled beach. Great for long walks and watching sunsets over the Pacific. Surfers love it for its consistent breaks. In Hermosa, you'll find a small convenience store and restaurants. Jaco, just 10 minutes south, offers more: big supermarkets, banks, medical services, shops, spas, casinos, and tons of restaurants and bars.
