Property Description

Introducing an unparalleled opportunity in the heart of nature's grandeur, nestled on the pristine shores of Drake Bay, Costa Rica, where the lush embrace of the untouched rainforest meets the azure embrace of the Pacific Ocean. This extraordinary 38.3-acre property is not just a piece of land; it's a symphony of nature's finest, a canvas of awe-inspiring beauty waiting for you to script your dream. Imagine waking up to the melodious calls of exotic birds, with Scarlett Macaws painting the skies above, and the soothing sounds of a year-round running river serenading you. Here, you'll become one with the vibrant biodiversity that Costa Rica is famed for, sharing your space with pumas, tapirs, ocelots, and four species of playful monkeys. This isn't just a property; it's a sanctuary where the primary jungle rainforest reaches out to caress the tranquil Pacific Ocean. National Geographic deemed this place "the most biologically intense place on Earth," and it's not hard to see why.
