Property Description

A unique jewel in the hills above Ojochal, just a 5-minute drive from the heart of the bustling town. This wonderful one-of-a-kind property amazes with jaw-dropping views – both ocean and mountain vistas stretch in all directions! Located in Ojochal's Phase 5 development, this property is just minutes away from the rapidly growing jungle town where you will find outstanding world-class restaurants, pubs and cafes, spas and yoga retreats, a recently opened gym with a loop pool, tennis court and pickleball, deli, pharmacy, supermarkets, hardware shops, medical and dental clinics, law offices, a gas station and MUCH MORE! The bustle and amenities of Ojochal are just down the hill but your neighbourhood is quiet and serene, perched on ocean-facing hills and enveloped in the tranquillity and nature that Costa Rica is famous for. In front of you is the Pacific Ocean and behind are the coastal mountains which rise steeply to 1,300 meters (4,300 ft) – they are often enshrouded with mist and dancing clouds and, after a rainfall, huge waterfalls come into view.
