Property Description

Buena Onda or Good Vibe accurately describes this amazing gem of a property ideally located in one of Southern Costa Rica's most popular destinations. This tropical dream offers impeccably manicured gardens with numerous vantage points to enjoy its splendor; whether relaxing in a hammock by the river, meditating or painting the surrounding beauty on a platform above a Lotus flower pond or splashing around in one of the 2 pools there is no shortage of ways to lose track of time here. Buena Onda is an ideal property for the owners to live onsite and manage a small boutique lodge or offer longer term rentals as there are 2 separate pools (1 for guest and the other for the owners). Additionally, there is another building with a second private entry which could serve as a restaurant or be redesigned as additional housing. Or Buena Onda could be used as a personal home or retreat with distinctive homes to accommodate multiple families.
