Property Description

With beach front properties being ever so sparse, this is a true gem. If you are not sure about future plans, start planning as there is infinite options with this property. Whether it is pure privacy you want to retire in, it is ready for you. Would you like a supplementary income for the 5 bedrooms of the main house? This place has an incredible track record of rental income!! Is it retreats you want to run? It is ready for you! Spanning just over 2.5 acres, this property is located on Golfo Dulce in the pristine Osa Peninsula near the famous Corcovado National Park. Only a few steps from the front door and you find yourself at calm turquoise waters of Playa Preciosa. Off grid with modern solar technology and its own fresh water well, this award winning, contemporary organic design house will welcome you with its open spaces and cathedral ceilings. A true and unique master piece in engineering and bamboo construction.
