Property Description

Hidden within the lush jungle near Playa Hermosa, Ecocoon Treelodge stands as one of Santa Teresa's largest and most distinctive retreat centers, a secluded paradise where design, nature, and wellness unite in harmony. Thoughtfully crafted from sustainable materials, each of the property's unique "ecocoons" immerses guests in the serenity of the forest while offering all the comforts of modern living. Accommodations The estate features 13 bedrooms across a magnificent eight-room treevilla and three private jungle villas. Ecocoon Bamboo The main treehouse and centerpiece of the estate. With two suites, three lofts (each with two beds), and open-air living spaces, it is ideal for retreats or large groups. Includes a spacious pool, kitchen, bar, and custom rounded king-size beds. Ecocoons Roble, Ceiba and Pochote Three independent villas tucked beneath the canopy, each with private pools, kitchens, jungle-view nets, and tranquil privacy.
