Property Description

The condominium complex is made up of 54 residential units distributed in several three-story buildings each in an area that is surrounded by primary forest. They are first class properties very close and with extraordinary views of the sea, in the heart of the Costa Verde in southern Costa Rica. A place where the exuberant tropical jungle with its wild fauna and flora are combined in harmony with the joy of the beautiful beaches and waterfalls. Costa Rica stands out for its natural beauties and in this place you will find what you have wanted so much. We are located one kilometer from the center of Dominical and Uvita, as well as three hours from the Juan Santamaría International Airport. We offer condominiums from 95m2 to 135m2 with one and two bedrooms in six different models according to the floor. In the same way, prices vary according to their location and size.
